Estimates for Postal Bid Sale Section: Estimates are generally very conservative and, in most cases, are well below normal retail prices. **Bid section estimates are EXCLUSIVE of GST. All estimates/prices are in Australian Dollars.**

Viewing: Lots will be available for viewing at our Caboolture office, most Weekdays – **It is recommended you call in advance of journeying there on 0409 473 150.**

Photocopies of small lots may be provided on request - Please forward business-sized Stamped envelope.

E-mail scans of lots are also available on request.

Your Bids: Please indicate your bids on the form provided. You may bid at, above, or below the estimates. Reserves are *generally* 80% of estimates. Lots will be sold to the highest bidder at approximately 5% above the second highest bid, however, we will generally round to the nearest 25c/50c on lots up to \$10. **Irrespective of your actual bid amounts, in instances where you are the only bidder, lots will be provided at reserves.**

Where equal bids are received, preference will be given to the earliest bid. Where the *Break Tied Bids* option has been accepted, your bid will be increased by 1 bid step if necessary to secure the lot for you.

Goods & Services Tax (GST): The current standard within the philatelic trade is that retail prices (known amounts) are *inclusive* of GST and uncertain prices (eg Postal Bid/Auction) are *exclusive* of GST. Overseas (export) sales do not attract GST.

Accordingly, **GST of 10% will be added to the total of Bid Sale lots** on Australian clients' invoices. No additional amount will be added to overseas clients' invoices. GST is absorbed by us on Direct Sale lots.
